

Jude Andy Convencido

Software Developer | Software Engineer

Profile

I am a passionate Software Engineer/Software Developer with expertise in web development, CMS and database management. Skilled in JavaScript, Next.js, Ember.js, C#, .Net and HubSpot CMS, I build responsive and high-performance applications. A team player with strong problem-solving skills, I thrive on learning new technologies and delivering impactful solutions. I am versatile and able to quickly learn and adapt to new frameworks and technologies.
